Your 1<sup>st</sup> Choice in Lifts

# What is KLEEMANN LIVE

## A new era in elevator management

KLEEMANN Live is a comprehensive solution for optimised and remote elevator management. Providing complete, instant, and continuously updated insights for elevators, it introduces a new level of usability and operational efficiency.

## Benefits for you

### Performance You Can Trust

Monitor and validate elevator performance in real-time and retrospectively. Guarantee system uptime even post-handover.

### Smart Specifications

Remote diagnostics, preventive maintenance, and lifecycle insights make KLEEMANN Live ideal for integration into smart building designs.

### Sustainability Built-In

Provide solutions that optimise elevator usage and help achieve sustainability certifications like BREEAM.

### Lower Risk, Higher Reputation

Recommending a future-proof, low-risk system complements your expertise and supports your role as a trusted and leading advisor in smart infrastructure.

KLEEMANN has a worldwide operations in over 100 countries with local presence in key market points. It stands out for its product range, high quality and control standards, world class design and for its expertise in custom made solutions. Constantly monitoring the global market trends, the company continues to innovate, grow, develop, and improve while consistently remaining in tune with its universal character.
